The Deputy Secretary to Government,

Sir,

Sub: ESTABLISHMENT - Field Man - Permission to take up Branch Post Master job at Koila Cattle Farm, South Kanara - Requested.
Ref: This office D.Dis.No.8992.V/50 d/ 13.5.51.

...

The postal authorities have opened a branch post office in the District Livestock Farm, South Kanara by name "Koila Cattle Farm Post Office" on 30.4.51--vide this office letter cited above. In this connection I submit that the postal authorities desire that an employee of the farm will be most useful for the work of a Post Master. In the first instance the Superintendent of the farm allowed a mechanic of the farm to act as Post Master but since he was found unfit for the job and as there are no suitable persons from outside to take up the work of the branch post office, the Superintendent, District Livestock Farm, South Kanara has permitted one Field Man of the farm Sri G.A. Datta to work as a post master of the said post office in anticipation of sanction as otherwise the postal authorities were forced to close the post office for want of a responsible person to take up the job. The Fieldman is being paid at a rate of Rs.20/- p.m. by the postal authorities as remuneration for the work. There are no conditions attached to this job. It is a part-time job for about two hours in a day without detrimental to his official duties within the farm premises.

2. I therefore request that the fieldman of the farm may be permitted to take up the work of a Post Master in the branch post office in District Livestock Farm, South Kanara and to accept the remuneration paid by the Postal Department.

Yours faithfully,

18/9/51.

DIRECTOR OF ANIMAL HUSBANDRY,
